What makes our school so special

Our 3, 4, and 5 year old classroom teachers
are certified educators.

Our classes have a teacher
and an assistant teacher present at all times.

Our children attend
Wednesday morning chapel services.

Our children experience
monthly enrichment activities
which include yoga, cooking & nutrition,
Spanish, and sign language.

Our school has students
who speak English as a second language.
We all learn new things and we learn
a new language from each other.
