

This summer, there are 2 adult Sunday school offerings at 9am, June 3 - Sept 2
(combined worship on those dates will be at 10am)

The **Dudley Class** will continue in the Dudley room, using PC(USA)'s The Present Word curriculum, with teacher, Leslie Spencer. "Justice in the New Testament" focuses on justice as presented in the New Testament. Justice is portrayed as a primary characteristic of God's nature. Human beings are called to emulate God's justice toward one another.

Summer Sunday School will meet in the library and feature video discussion starters. Different folks will facilitate each Sunday.

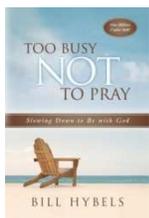

June 3 - July 8 The Life You've Always Wanted: Spiritual Disciplines for Ordinary People, John Ortberg - The heart of Christianity is about transformation--about a God who isn't just concerned with our spiritual lives, but who wants to impact every aspect of living. It's realizing that God meets us not in a monastery but on Main Street, and that all of ordinary, daily life has the potential to be lived as if Jesus himself were the one living it.

Offering modern perspectives on the ancient path of the spiritual disciplines, The Life You've Always Wanted guides us on a journey beyond performance and externalism to a life marked by joy, peace, kindness, and all the signs of a faith that's vital and growing and offers an encouraging and challenging approach to a Christian life that's worth living--life on the edge that fills our ordinary world with meaning, hope, change, and growing closeness with Christ.

July 15 - August 19 Goliath Must Fall: Winning the Battle Against Your Giants, Louie Giglio - Many of us have giants in our lives--hang-ups and habits, fears and insecurities that keep us from reaching our full potential. Frozen, we lose sight of the promise God has for our lives and settle for far less than best. God has a better plan for you—a plan for you to live in victory. That's why he has silenced your giant once and for all.

In this study, Giglio uncovers a newfound twist in the classic story of David and Goliath. He shows how the key to living free from our giants is not better slingshot accuracy, but keeping our eyes on the one and only giant-slayer: Jesus. Put your hope in him, and watch Goliath fall.

August 19 & Sept 2 Too Busy Not to Pray: Slowing Down to Spend Time with God, Bill Hybels - The urgent need for prayer in today's broken world is clear, but busyness still keeps many of us from finding time to pray. Hybels offers us his practical, time-tested ideas on slowing down to pray. This study calls on us to make prayer a priority, broadening the vision for what our eternal, powerful God does when his people slow down to pray.
